AUCTIONEER'S NOTE If you've never attended an amusement auction before, this is the one you DON'T WANT TO MISS! If you **have** been to one, this is one you'll never forget! The majority of equipment is of the type and condition not seen at normal auctions. In my 20-plus years experience in the amusement industry, I've yet to see an auction of this magnitude offering this quality of equipment specifically for amusement operators. The fact that each unit will be sold to the highest bidder—regardless of price—makes for the most exciting event in coin-op history. Save thousands on this extra-clean equipment! **Do not miss the most important auction we have ever conducted.** —Robert Stormont
