

Service Bulletin

Date: December 17, 1999

SB17

Game: "Offroad Thunder"

Subject: Dip-switch settings

Manual Amendment, please amend your game manuals.

Please pay special attention to the dip-switch setting for the MagicBus Interface board, all dip-switches on switch bank 1 should be off.

Thank you.

OFFROAD THUNDER(tm)

27" and 39" DEDICATED VIDEO GAMES

MANUAL AMENDMENT

Make These Changes

The following tables update the Offroad Thunder manuals, parts 16-20035-101 (27") and 16-20041-101 (39").

Please make these changes to the following pages of both manuals:

Page 3-12

Description: System Audits menu

Notes: Final menu line is cut off. It should read "FREE CREDITS".

Page 4-15

Description: MagicBus Interface Board Switches

Notes: Switch S1-7 must remain OFF. The ON position should be labeled "USB mode". USB mode is not supported, and is for factory testing only!

Page: 4-15

Description: MagicBus Interface Board Switches

Notes: Switch S1-8 positions are reversed. OFF position should read "Watchdog Enabled", and ON position should read "Watchdog Disabled". Default position is OFF.

Please make these changes to the following pages of the 27" manual, part 16-20035-101:

Page: 7-11/12

Description: Red Pushbutton 20-9663-22 Delete Part Number...

New Part Number 20-10672-1

Amber Pushbutton 20-9663-23 Delete Part Number...

New Part Number 20-10672-2

**Yellow Pushbutton 20-9663-24 Delete Part Number...
New Part Number 20-10672-3**

Please make these changes to the following pages of the 39" manual, part 16-20041-101:

Page: 4-3

Description: Power Wiring Diagram, "Pedestal Cabinet Line Voltage HARNESS"

Delete Part Number... H-23388

New Part Number... H-23388.1

Page: 7-10/11

Description: Red Pushbutton

Delete Part Number... 20-9663-22

New Part Number... 20-10672-1

Page: 7-10/11

Description: Amber Pushbutton

Delete Part Number...20-9663-23

New Part Number...20-10672-2

Page: 7-10/11

Description: Yellow Pushbutton

Delete Part Number...20-9663-24

New Part Number:...20-10672-3
