39" STATIONARY AND 39" MOTION DEDICATED VIDEO GAME MANUAL AMENDMENT

Please Be Informed...

That additional grounding has been added to the 39" stationary and 39" motion Dedicated Cruis'n Exotica™ game cabinet. This amendment contains revised installation instructions to reflect this change.

REVISED INSTALLATION INSTRUCTIONS

Use the following instructions to supplement the game set-up instructions outlined in the Operator's Manual. For complete Set-Up Instructions refer to the *Operations* section in the Operator's Manual for your dedicated video game machine.

1. After performing caster and leveler installation as outlined in the Operator's Manual, locate the 8/32x 1 ½" screw in the pass through opening in the main cabinet.
2. Install a washer and locking nut on the screw and tighten in place. Install the lug from the ground braid onto the screw followed by a wing nut and tighten in place.
3. Proceed to assemble the game cabinet in the order described in the Operator's Manual.
