

A. This kit contains the following parts.

ITEM	PART NUMBER	DESCRIPTION	Q'TY
1	MDST-10-21	MDS-TBL Leg Extension	2
2	MDST-10-22	MDS-TBL Leg Extension Support Bracket	2
3	DJRT-80-17	Hex Head Mach. Screw M8 X 20 (Black)	18

B. Installation Procedure

- 1) Lay the cabinet down for easier installation.
- 2) To install the new parts (ITEM #1), first remove the old leg assembly, then install the new parts (ITEM #1) into the cabinet.
- 3) Replace the old leg into the end of the new parts (ITEM #1) as shown in the illustration attached, and install the screws provided (ITEM #3) for each side.

Note: The table height should not be adjusted higher than 53" (from floor to top of game).

- 4) Install main and sub leg extension support bracket (ITEM #2) with the 6 screws provided (ITEM #3) for each side.
- 5) Make sure all the screws are tight before putting the cabinet upright.
