

## **Dart Star Software Exchange Program:**

The dart star Game and Font software chips (EPROMs) are replaced as a set. The cost is \$40.00 exchange per set with a 30 day time limit to return the old Game and Font chips.

Return the old chips to:

Attention: Service Department - RMA Medalist Marketing Corporation 206 Frontage Rd. N., Suite B-2 Pacific, WA 98047

You are automatically being charged \$60.00 for each set of chips. Your account will be credited \$20.00 per set if returned within 30 days.

## To Install New Game And Software Chips:

Turn off power to board, locate old Game chip in plug U-17. After noting the direction of the cutout on the old Game chip, remove and replace with the new Game chip. make sure all pins are in the socket and the cutout is facing the same direction as the old Game chip.

Repeat the procedure for the old Font chip in plug U-10.
