

WARP SPEED (CONT.)

BONUS
WAVE

AFTER SOME NUMBER OF WAVES THE PLAYER GETS A BONUS WAVE. THIS IS SIMPLY AN ACCURACY TEST. THERE IS A LARGE BLOCK OR SPHERE OR SLAB OR SOMETHING THAT HAS A TARGET ON IT. THE PLAYER HAS TO HIT THIS TARGET AS HE FLIES OVER, THRUST IS AUTOMATIC. IF THE PLAYER HITS IT HE IS TREATED TO A COLORFUL DISPLAY OR EXPLOSION AND GETS ONE FREE TURN (FREE LIFE) THEN CONTINUES TO THE NEXT WAVE IN NORMAL GAME PLAY. IF HE MISSES HE JUST CONTINUES TO THE NEXT WAVE.

SUMMARY

THIS SUGGESTION TRIES TO USE ALL THE EXISTING HARDWARE AND SOFTWARE. I THINK THAT A FEELING SIMILAR TO THE END OF STAR WARS CAN BE ACHIEVED BY THE PLAYER AND IS A DESIRABLE GOAL.
